WHOLESALE LINE SHEET / AUTUMN 2026

TRIBENINESTUDIOS.COM / @TRIBENINESTUDIOS

# A Jamaican icon, reimagined.

The Kingston Tote is inspired by the Jamaican mesh marina, the vest worn by fishermen, higglers and rude boys for generations. Reinvented as a premium everyday carry.

On the front, the Nine Dollar coin. There is no nine dollar coin in Jamaica, so we designed one: nine for completion, 2020 for the year Tribe Nine was incorporated and committed to the people of Jamaica.
